

February 10, 2010

Dear CABB Supporters,

You are cordially invited to join us in sponsorship of the upcoming California Association of Business Brokers Annual Productivity Conference.

CABB is a premier professional trade association comprised of members who are actively involved in assisting their clients in selling, buying and evaluating business. The organization was created to recognize the professionals of business opportunity brokerage, help educate the public about the benefits of using licensed intermediaries and to establish a code of ethics to which members adhere. For more information, please visit www.cabb.org.

Every year we offer a conference for our members to convene and educate themselves about the latest industry standards, best practices and important resources to help better serve clients. CABB's next conference, "The Millionaire Business Broker," will be held in Burbank, California on May 14-15, 2010. This conference historically draws participants from all areas of the state.

As a member of our services community, we invite you to review the enclosed sponsorship packages. This is an ideal opportunity for you to advertise to more than 500 members and meet the dealmakers, who help support your business, face-to-face. You can participate in a variety of ways including hosting an exhibit booth or becoming a reception sponsor, keynote sponsor or session sponsor. We'll even work with you to create a custom package!

Several of the items listed are one-time opportunities, so please complete your paperwork early.

We look forward to your continued support of CABB.

Best regards,
